Subject: protest CWS rate increase

To Whom It May Concern,

I am writing this letter to protest the 80% rate hike increase recently proposed by Carolina Water Service, Inc.

Unless Carolina Water Service can prove that its operating costs have increased by 80% AND that those operating cost increases were absolutely necessary, then there is no justification for such a drastic rate increase.

We already pay water rates that are 2x-3x higher than many other parts of the country.

Sincerely,

Allan Bulkley
